

# M O R R O W S O D A L I

What Morrow Sodali believes every C-Suite and Board should have on their holiday wishlist this season:

- An Activism Preparedness Study**  
for a simulation of how a proxy contest could play out at your specific company
- A Capital Markets Intelligence Report**  
for a deeper and more current understanding of shareholder constituencies
- An Updated Materiality or Double Materiality Assessment**  
reflecting current stakeholders' sentiment
- Strong Governance Advisory**  
each proxy season comes with new "hot issues"
- Board Communications Preparedness**  
good governance is accompanied by strong communications
