### **EMERGING CORPORATE GOVERNANCE TRENDS FOR 2019: A GLOBAL PERSPECTIVE**

Morrow Sodali's latest Institutional Investor survey covers USD33 trillion Assets under Management with most large and influential investors participating across a wide spread of geographies. This survey identifies important issues and investor views on the upcoming AGM season: Board engagement, composition and accountability, Compensation, Disclosure, Activism and ESG integration. Current topics and impact of the survey results for the Switzerland 2019 AGM Season will also be discussed, as well as lessons learned from the first AGMs this year.
